

# Test for Echo

## Rush

Here we go, vertigo  
Video vertigo  
Test for echo

Here we go, in slo-mo  
Video vertigo  
Test for echo, test for echo

Some kind of trouble on the sensory screen  
Camera curves over caved-in cop cars  
Bleacher-creatures, would-be desperados  
Clutch at plausible deniability

Don't touch that dial  
We're in denial  
Until the showcase trial on TV

Here we go, vertigo  
Video vertigo  
Test for echo

Some kind of pictures on the sense o'clock news  
Miles of yellow tape, silhouetted chalk lines  
Tough talking hood boys in pro-team logo knock-offs  
Conform to uniforms of some corporate entity

Don't change that station  
It's Gangsta Nation  
Now crimeâ€™s in syndication on TV  
Here we go

What a show, vertigo  
Video vertigo  
Test for echo

Touch and go, in slo-mo  
Video vertigo  
Test for echo, test for echo

Here we go

Vertigo  
Video vertigo

Some kind of drama live on satellite  
Hidden camera coverage from the crime scene to the courtroom  
Nail-biting hood boys in borrowed ties and jackets  
Clutching at the straws of respectability

Can't do the time?  
Don't do the crime  
And wind up in the perp walk on TV  
Here we go

Here we go, vertigo  
Video vertigo  
Test for echo

What a show, vertigo  
Video vertigo  
Test for echo

Here we go, in slo-mo  
Video vertigo  
Test for echo, test for echo
