

# Like a Prayer

## Rufio

Life is a mystery, everyone must stand alone  
I hear you call my name and it feels like homeWhen you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you thereI hear your voice, it's like an angel sighing  
I have no choice, I hear your voice, feels like flying  
I close my eyes, oh God, I think I'm falling  
Out of the sky, I close my eyes, heaven help meWhen you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you thereLike a child, you whisper softly to me  
You're in control just like a child, now I'm dancing  
It's like a dream, no end and no beginning  
You're here with me, it's like a dream, let the choir singWhen you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you thereWhen you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you thereJust like a prayer, your voice can take me there  
Just like it used to be, you are a mystery  
Just like a dream, you are not what you seem  
Just like a prayer, no choice your voice can take me thereWhen you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you thereWhen you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour, I can feel your power  
Just like a prayer, you know I'll take you there
