

# A Tout Le Monde (2004 Remaster)

## Megadeth

Don't remember where I was  
I realized life was a game  
The more seriously I took things  
The harder the rules became  
I had no idea what it'd cost  
My life passed before my eyes  
I found out how little I accomplished  
All my plans tonight  
So as you read this know my friends  
I'd love to stay with you all  
Please smile when you think of me  
My body's gone that's all  
A tous le monde  
A tous les amis  
Je vous aime  
Je dois partir  
These are the last words  
I'll ever speak  
And they'll set me free  
If my heart was still alive  
I know it would surely break  
And my memories left with you  
There's nothing more to say  
Moving on is a simple thing  
What it leaves behind is hard  
You know the sleeping feel no more pain  
And the living are scarred
