

What I Be On

Devin the Dude

folks be trippin on me i just be doin my thang, hoes be likin the way my big ol' nuts hang and swang, people out
in public see me smokin on my herb, they want me to sell them some but i must conserve.
I Be gettin by, i be stayin focused, i be gettin high, i barely get noticed, i be on my grind i be on my hustle ya'll,
i stay on my p's and q's my weed and brew
