

# Speak Nigh

## Trap Them

Else early on, infernos exhaled...  
else early on, young and hungry,  
you don't need to be told,  
don't need to be asked.  
It's clear, because we're finished,  
because we're out of all the lasts. And down by the ruin,  
that's all there is.  
And down by the ruin...  
Later on, sure enough,  
Later on, degrade into night.  
I don't need any wants,  
don't hold out for any needs...  
there's still enough stuck to our cavities  
for all the desperate to always outnumber the free.  
And down by the ruin,  
that's all there is.  
And down by the ruin... And fucking cross down by the ruin.  
Else early on, you don't need to be told.
