Morning Delight

Wave

She came from London
She's wearing a Stones shirt
She's got a ticket to ride
She's got her tongue pierced
But said that it don't hurt
And now she's right by my sideI'm going there's no stopping
I just can't get enough of thisChorus
C'mon let it out let it in now
C'mon let it shine with a little love
C'mon black it out pack 'em in now
A little morning delght
C'mon c'monShe gave up coffee
She's doin' the clean thing
She's got a one track mind
It's pouring outside
But she don't wear a rain coat
And now she's right by my sideI'm going there's no stopping
I just can't get enough of thisChorusAnd in the middle of the night
You know it feels so right
That morning delightI'm going there's no stopping
Yeah she's going there's no stopping
Yeah I'm going there's no stopping
I just can't get enough of thisChorus
