

# Hard Monkeys

## Ten Years After

Got no monkey on my back  
And I'm never gonna crack 'Cause it's a good life  
Too good to lose  
But it's a hard world  
With the junkie blues Got no street car called Desire  
And I'll never light the fire 'Cause it's a good life  
Too good to lose  
But it's a hard world  
With the junkie blues Got no monkey on my back  
And I'm never gonna crack 'Cause it's a good life  
Too good to lose  
But it's a hard world  
With the junkie blues
