

# Quite Early Morning

Pete Seeger

Don't you know it's darkest  
Before the dawn  
This thought keeps me  
moving on  
(2x)

If we could heed these early warnings  
The time is now quite early morning  
Some say that humankind won't long endure  
But what makes them feel  
So dog-one sure?  
(2x)

I know that you who hear my singing  
Make those freedom bells go ringing  
And so we keep on while we live  
Until we have no more to give  
(2x)

And when these fingers can strum no longer  
And the old banjo to young ones stronger  
Don't you know it's darkest  
Before the dawn  
This thought keeps me  
moving on  
(2x)

Through all this world of joy and sorrow  
We still can have  
singing tomorrow
