

Off the Chain

Teena Marie

Advisory - the following lyrics contain explicit language:

West side girl is dancing
Off the chain, it's sickening
Lady Tee is
MmmGot your dinner waitin' on the table
I've even chilled the wine
Come over, baby
Boy, don't be crazyYou've been waitin' for a little somethin'
And your girl's about to break you right off
You're about to know my name
Baby's off the chainGot you feeling off the chain
She sexing off the chain
She's flipping off the chain
Baby
Your girl is ill, she's off the chain
It's sickening off the chain
She's moaning off the chainMercury rising and it's hot like fire
I'm feelin' feverish
About to lace you
Can almost taste youWest Coast's poppin' all around your body
And my shit's of the hook in the south
You'll never be the same
Baby's off the chainGot you feeling off the chain
She's sexing off the chain
She's flipping off the chain
Baby
Your girl is ill, she's off the chain
It's sickening off the chain
She's certainly off the chainDid you ever think that we'd be makin' love like this
How can you resist me, baby
Now that we have kissed
I've been saving all my love
For only you

West Coast is on and popping
Boy, you den started something Come on shorty from a G to a G
This is how it's gonna be
And this is how we gonna eat Mama
I'ma play the block
You gonna count the knots
I'ma duck the people
You gon' ride droptop
I'ma tote the straps
The minks on your back
I got your back
You ridin' in a Cadillac
I'm off the chain
With this pimpin' ass game
If I don't know nothin'
I know how to move them things
It's just a few that live to talk about it
Comin' through the airport
And they holla they lava
Cruisin' rag top
The mink, the color of powder
Ride fly through the storm
Collectin' some dollars
[incomprehensible]
For money and power
Shorty raised in the game
So now she can holla
Through the sunset city of California
She a G to the game
She do what she wanna West Coast's got your chest on swell
Dirty south's insatiable
Northeast, tell me now what you say
Got your taste buds tanging like alize
Lady's bangin' all out your back
Got your heartbeat racing like a heart attack
Goin' on and on to the break of dawn
And shit don't stop to the early morn Off the chain, off the chain
Baby's off the chain
Do your thang, do your thang
This love is good it's off the
Off the chain, off the chain
Baby's off the chain
Do your thang, do your thang
This love is good it's off the
Chain, chain, chain

Uh West Coast's poppin'
It's off the chain
East Coast's flippin'
It's off the chain
Midwest's bangin'
It's off the chain
Dirty south is off the chain West Coast's poppin'
It's off the chain
East Coast's flippin'
It's off the chain
Midwest's bangin'
It's off the chain
Dirty south is off the chain Got you feeling
Mm
She's fine
She's sickening
She's moaning off the
Your girl is ill
She's off the
She's sick
And she's off the
She's flipping off the
She's freaking off the chain
