

Danny's Song (Feat. Martina McBride)

Anne Murray

People smile and tell me I'm the lucky one
And we've just begun, I think I'm gonna have a son
 He will be like you and me, as free as a dove
Conceived in love, the sun is gonna shine aboveAnd even though we ain't got money
 I'm so in love with ya honey
 Everything bring a chain of love
 And in the morning when I rise
 Bring a tear of joy to my eyes
And tell me every thing's gonna be all rightLove a guy who holds the world in a paper cup
 Drink it up, love him and he'll bring you luck
 And if ya find he helps your mind, better take him home
Yeah 'n don't you live alone, try to earn what lovers ownAnd even though we ain't got money
 I'm so in love with ya honey
 Everything bring a chain of love
 And in the morning when I rise
 Bring a tear of joy to my eyes
And tell me every thing's gonna be all right
