Polyanna

Sponge

Look who came by again
For friendly old times
To see me
How long can you stay
Did you bring your disease
That makes me breathe
What you don't know
Is I keep your picture around me
Your vision surrounds me
It lets you know the power you have over me
Over me
I'll find God for Polyanna
Send light to Polyanna
Find God for Polyanna in me
I'll find God for Polyanna
New life for Polyanna
So Polyanna don't feel my misery
She don't feel my misery
Here I am again
Left for dead again
Oh how sweet
Come back any day
Anytime is okay to see me
What's left of me
What you don't know
Is I keep your vision around me
Your addiction surrounds me
It lets you know the power you have over me
Over me
I'll find God for Polyanna
Send light to Polyanna
Find God for Polyanna in me
I'll find God for Polyanna
A new life for Polyanna
So Polyanna don't feel my misery
She don't feel my misery
It goes to show the power you have over me
Over me
I'll find God for Polyanna

Send Light to Polyanna
Find God for Polyanna to me
I'll find God for Polyanna
A new life for Polyanna
So Polyanna don't feel my misery
She don't feel my misery
If you got your Polyanna
Come and weep with me
Offer Polyanna some sympathy
