

Wide River To Cross

Buddy Miller

There's a sorrow in the wind
Blowing' down the road I've been
I can hear it cry while shadows steal the sun But I can not look back now
I've come too far to turn around
And there's still a race ahead that I must run I'm only halfway home I gotta journey on
To where I'll find the things that I have lost
I've come a long long road still I've got miles to go
I've got a wide wide river to cross I have stumbled I have strayed
You can trace the tracks I made
All across the memories my heart recalls
But I'm just a refugee won't you say a prayer for me
'Cause sometimes even the strongest soldier falls
