

By the Grace of God

Katy Perry

Was 27 surviving my return to Saturn
A long vacation didn't sound so bad
Was full of secrets locked up tight like iron melting
Running on empty, so out of gas Thought I wasn't enough and I wasn't so tough
Laying on the bathroom floor
We were living on a fault line
And I felt the fault was all mine
Couldn't take it any more By the grace of God (there was no other way)
I picked myself back up (I knew I had to stay)
I put one foot in front of the other and I
Looked in the mirror and decided to stay
Wasn't gonna let love take me out
That way I thank my sister for keeping my head above the water
When the truth was like swallowing sand
Now every morning
There is no more morning oh I
Can finally see myself again I know I am enough
Possible to be loved
It was not about me
Now I have to rise above
Let the universe call the bluff
Yeah the truth will set you free By the grace of God (there was no other way)
I picked myself back up (I knew I had to stay)
I put one foot in front of the other and I
Looked in the mirror and decided to stay
Wasn't gonna let love take me out That way no
There ain't no
Not in the name of love
In the name of love (in the name of love)
That way
There ain't no
I'm not giving up By the grace of God
I picked myself back up
I put one foot in front of the other and I
Looked in the mirror (looked in the mirror)
Looked in the mirror (looked in the mirror) By the grace of God (there was no other way)
I picked myself back up (I knew I had to stay)
I put one foot in front of the other and I
Looked in the mirror and decided to stay

Wasn't gonna let love take me out
That way
