Anyone Can Play Guitar

[unknown]

Destiny, destiny protect me from the world
Destiny, hold my hand, protect me from the world
Here we are with our running and confusion
And I don't see no confusion anywhereAnd if the world does turn and if London burns
I'll be standing on the beach with my guitar
I want to be in a band when I get to heaven
Anyone can play guitar and they won't be a nothing anymoreGrow my hair, grow my hair, I am Jim Morrison
Grow my hair, I wanna be, wanna be, wanna be Jim Morrison
Here we are with our running and confusion
And I don't see no confusion anywhereAnd if the world does turn and if London burns
I'll be standing on the beach with my guitar
I want to be in a band when I get to heaven
Anyone can play guitar and they won't be a nothing any more
