

Anyone Can Play Guitar

[unknown]

Destiny, destiny protect me from the world

Destiny, hold my hand, protect me from the world

Here we are with our running and confusion

And I don't see no confusion anywhereAnd if the world does turn and if London burns

I'll be standing on the beach with my guitar

I want to be in a band when I get to heaven

Anyone can play guitar and they won't be a nothing anymoreGrow my hair, grow my hair, I am Jim Morrison

Grow my hair, I wanna be, wanna be, wanna be Jim Morrison

Here we are with our running and confusion

And I don't see no confusion anywhereAnd if the world does turn and if London burns

I'll be standing on the beach with my guitar

I want to be in a band when I get to heaven

Anyone can play guitar and they won't be a nothing any more
