Invert the Virgin

Goatwhore

Advisory - the following lyrics contain explicit language:

Slice Open The Whores Neck
Invoke The Blood
Bathe In The Warm Red
Invert Her Virgin SoulHer Soul Was Once Pure
Now She Is But A Whore
She Is Now Possessed
In The Grip Of DarknessInvert The Virgin [X3]... InvertShe Lies Dead On The Altar
The Incubus Licks Her Flesh
As We Start The Ritual
In Her Virgin BloodHer Corpse Is Now A Shell
For The Master To Be Born
Through The Darkness He Comes
Crawling Forth From HellHis Pain Is Adorned
With Thorns From A Fallen King
His Strength Is Covered
With Lust Of The Fallen Few
