

Time Will Reveal

El DeBarge

What can I do to make you feel secure, remove all your doubts
So that you'll know for sure that you're the apple of my eye girl
Fulfillment of my dreams, time, will show the value
Of just what you mean to me More precious than silver, more precious than diamond rings
Or anything that I can give you, it wouldn't mean a thing
If you didn't have my love beside you there to guide you through
But it is good to know you do I know just how you feel
But this time love's for real
In time it will reveal
That special love that's deep inside of us will all reveal in time I tell you I love you but you won't believe it's
true
More precious than silver, more precious than diamond rings
Or anything that I can give you, it wouldn't mean a thing
If you didn't have my love beside you there to guide you through
But it is good to know you do, aah I know just how you feel
But this time love's for real
In time it will reveal
That special love that's deep inside of us will all reveal in time I know just how you feel
But this time love's for real
In time it will reveal
That special love that's deep inside of us will all reveal in time
Say it baby, yeah babe Or anything that I can give you, it wouldn't mean a thing
If you didn't have my love beside you there to guide you through
But it is good to know you do I know just how you feel
But this time love's for real
In time it will reveal
That special love that's deep inside of us will all reveal in time I know just how you feel
But this time love's for real
In time it will reveal
Hey oh, that special lovin' arms will all reveal in time I know just how you feel
So let you're little heart lay down my body
In time it will reveal
That special love that's deep inside of us will all reveal in time
