

Let It Go

Year of the Rabbit

Subtle signs that fell on blinded eyes
And no one spoke 'cause no one had to
Didn't notice that my guard was down
All I did was let it through Now I don't know what you want me to say to you
When I don't know how I can tell you the truth Stumbled out across the boundary lines
Tripped up on a stick of truth
Temporary was this tear in time
All I did was let it through If you were a friend you would've asked her first
If you were a friend you wouldn't ask me first
If I was your friend I would've called you first
If I was your friend I could've told the truth
