

Asylum #9

Wasp

[Doctor "D" to Jesse]Are you insane?

Welcome to the Asylum

House of true enchanted minds

It's the happiest place on earth

For the violent

We almost lost ya

But we caught ya in time[The Nurses] You're here for life - life

[Doctor "D"] I'll fix ya right - right

[The Nurses] Gimme your life - life

[Doctor "D"] It's all you gotta do[The Nurses] I'll give you life - life

[Doctor "D"] I'll make it right - right

[The Nurses] You're here for life - life

[Doctor "D"] I want to welcome you[Doctor "D" to Jesse]Are you in pain

Or just merely misguided?

Tell me of the demons you've inside

I'll shrink where you think

Till you're fears are subsiding

I'm your physician slash

Magician of minds[The Nurses] Asylum # 9[Doctor "D"]Oh - no running away

There ain't no place to hide[The Nurses] Asylum # 9[Doctor "D"]Oh- I'm your physician with a mission
in mind

Oh- I'm your healer I'm your stealer
of minds
