The Cheat Is Not Dead

Strong Bad

STRONG BAD:
The Cheat, man.
Where did we go wrong?
Seems like just yesterday we were setting fire to Strong Sad's underwear.
STRONG SAD: That WAS yesterday!
STRONG BAD: {overlapping} This one's for you.{singing}
I got mad at The Cheat (Uh!)
For screwin' up the Jumble caper (Uh!)
I hope I don't see his name in the paper
In the obituaries, cause that would mean he's deadThe Cheat is not dead
I'm so glad The Cheat is not dead
The Cheat is not dead (STRONG SAD: Dead!)
I'm so glad The Cheat is not dead
The Cheat is not dead (STRONG MAD: Dead!)
I'm so glad The Cheat is not-
{spoken} Just the claps! Just the claps! Uh! Uh! Strong Sad, I didn't know you had any rhythm.
STRONG SAD: Oh sure, I got tons of rhythm!
STRONG BAD: Uh! Uh! All right guys, keep it rollin' for me. Keep it rollin! Come on!{singing}
I cracked wise at The Cheat
But in my defense he cracked wise at me first
I hope he doesn't end up in a hearse
At the cemetery, 'cause once again that would mean that he's dead{choir joins in}
The Cheat is not dead
I'm so glad The Cheat is not dead
The Cheat is not dead ({spoken} Whoa, where'd this choir come from?)
I'm so glad The Cheat is not dead
({choir harmonize})The Cheat is not dead ({spoken} You guys sound great!)
I'm so glad The Cheat is not dead
The Cheat is not dead
