

# Watch it Burn

## Unearth

No longer on your side, No longer within your prison  
No longer here to speak with a positive spin on society  
So sick of your politics, so sick of your fading religions  
So sick of the endless lies that ignite and divide; it's homicide  
This is the reason your walls are coming down  
Did you even hear a word I said? Torch it all; torch it all  
Did you even hear a word I said? Watch it burn  
The writing's on the wall  
Watch it burn  
So tired of your ignorance, so tired of your passing trends  
So tired of your predictive script, you're all dead inside  
So tired of your predictive script, you're all dead inside  
It was supposed to be better than this  
Can you imagine why?  
The path of no return has killed all reason to believe  
A paradox in the vow you've taken. Engulfed in your own  
world  
The tried and true are now unspoken. God save you all  
Did you even hear a word I said? Torch it all; torch it all  
Did you even hear a word I said? Watch it burn  
The writing's on the wall. The writing's on the wall. Watch it  
burn  
Can you imagine why?  
The writing's on the wall  
We're all paralyzed  
Ours has died  
Paralyzed  
Hope has died.  
Paralyzed  
Our hope has died  
Our hope has died.  
Our hope has died  
Our hope has died  
Our hope has died  
Our hope has died  
Our hope has died  
Our hope is dead  
Burn your eyes on our setting sun,  
Burn out your eyes
