

# Put Me On A Plate

## Gluecifer

I'm a full three course tonight  
I'm a tummy rollercoaster alright  
Drowned in sauce, egg on top, all the sides with a big fat butter dollop  
I'm a full fuckin' dinner to night, outta sight all right(ext)Why don't you go right on and put me on a plate now  
Put me on a plate now  
I am done and ready to eat  
You can sit right down and dig into the good stuff  
So good that you can never get enough  
Got me tickling from my head to my feetI'm like butter on the toast just right  
Like the gravy on the roast so right  
Book yourself a table for a weekday lunch  
Call the maitre' dee know you got that hunch  
Peek into the kitchen you can hear what it says Bring a big napkin this is gonna be a big messWhy don't you go  
right on and put me on a plate now  
Put me on a plate now  
I am done and ready to eat  
You can sit right down and dig into the good stuff  
So good that you can never get enough  
Got me tickling from my head to my feet
