

# Lanterns

## Atlas Sound

Lately I've found  
When I start to think aloud  
There's a longing in the sound  
There is more I could be  
In darkness I leave  
For a place I've never seen  
It's been calling out to me  
That is where I should be

We never carried days on our own  
But now it's up to us to know  
The weight of being so much more  
We will find ourselves on the road

On we march  
With a midnight song  
We will light our way  
With our lanterns on  
On we march  
Till we meet the dawn  
We will light our way  
With our lanterns on

As we walk out  
Without question without doubt  
In the light that we have found  
It is finally clear  
Our day has come  
And we'll stand for who we are  
We are ready we are young  
We have nothing to fear

We never carried days on our own  
But now it's up to us to know  
The weight of being so much more  
We will find ourselves on the road

On we march  
With a midnight song  
We will light our way

With our lanterns on  
On we march  
Till we meet the dawn  
We will light our way  
With our lanterns on

We held the light  
To our faces  
And realised  
We were chasing  
Shadows behind  
Not worth saving  
So burn it bright  
Forever illuminating

On we march  
With a midnight song  
We will light our way  
With our lanterns on  
On we march  
Till we meet the dawn  
We will light our way  
With our lanterns on  
In darkness I leave  
For a place I've never seen  
It's been calling out to me  
That is where I should be
