## This Flight Tonight

## **Nazareth**

Look out the left the captain said

The lights down there

That's where we'll land

Saw a falling star burnin'

High above the Las Vagas sandIt wasn't the one that you gave to me

That night down south between the trailer

Not the early one that you can wish upon

Not the northern one that guides in the sailorsStar bright, star bright

You've got the loving that I like

Turn this crazy bird around

Should not have got on this flight tonightYou got the touch so gentle and sweet

But you've got that look so critical

Can't talk to you baby you know I get so weak Sometimes I think love is just mythicalUp there's a heaven, down there's a town Blackness everywhere and little lights shine

Blackness, blackness dragging me down
Come on light the candle in this heart of mineStar bright, star bright

You've got the loving that I like

Turn this crazy bird around

Should not have got on this flight tonightI'm drinking sweet champagne Got the headphones up high

Can't numb you, can't drum you out of my mind And singing, "Goodbye baby, baby goodbye Ooh, ooh, love is blind"Up go the flaps down go the wheels

Hope you got your heat turned on baby Hope they finally fixed your automobile

Hope it's better when we meet again, babyStar bright, star bright

You've got the loving that I like

Turn this crazy bird around

Should not have got on this flight tonight

Should not have got on this flight tonight
