Money To Burn

Ladyhawke

I got a friend who is younger than me
She lives her life like she wants it to be
She's just a girl with her eye on the world
But she is a-a-after meShe makes her money and she throws it away
Like millionaires only live for today
She's wanted by everyone in this town
But she is a-a-after meYou sold your heart to me
But you're just a fool
A fool with money to burn
You sold your heart to me
Cause you're just a fool
A fool with money to burn
Her dollar bills come with Benjamin's name
Her debit card comes with platinum fame
She's got the brains to be head of her game
But she is a-a-after meA little levin in the back of a car
Like Romeo did before Juliet
It's no big deal, but she pulled the alarm
And now it ha-ha-has to beYou sold your heart to me
But you're just a fool
A fool with money to burn
You sold your heart to me
Cause you're just a fool
A fool with money to burn
Too much, too little
We make it tough
Hard living in, no more
Your money can't buy me love
Can't be me love againYou sold your heart to me
But you're just a fool
A fool with money to burn
You sold your heart to me
Cause you're just a fool
A fool with money to burn
