

# Hurricane

[Dustin Lynch](#)

I knew when she blew in she wouldnt stay  
Every now and then God makes one that way  
A red head wild child with storms in her eyes  
I knew Id never be the same  
Thats the thing about a hurricane  
Shes all lightnin and wind and rain  
Get too close and youre swept away  
Better hold on till it breaks  
Cause its a hell of a ride if you can just survive the pain  
Thats the thing about a hurricane  
She said she was runnin from her past  
And every breath she stole felt like my last  
And her kiss told me better get on outa there  
But I was too far gone to care  
And thats the thing about a hurricane  
Shes all lightnin and wind and rain  
Get too close and youre swept away  
Better hold on till it breaks  
Cause its a hell of a ride if you can just survive the pain  
Thats the thing about a hurricane  
Now even in blue skies there aint no forgettin  
Is it any wonder they name em after women  
And thats the thing about a hurricane  
Shes all lightnin and wind and rain  
Get too close and youre swept away  
Better hold on till it breaks  
Cause its a hell of a ride if you can just survive the pain  
Thats the thing about a hurricane
