## Rock 'N' Roll Star

## **Oasis**

I live my life in the city
There's no easy way out
The day's moving just too fast for me
I need some time in the sunshine
Gotta slow it right down

The day's moving just too fast for meI live my life for the stars that shine People say, "It's just a waste of time"

When they said, "I should feed my head"

That to me was just a day in bedI'll take my car and drive real far

They're not concerned about the way we are

In my mind my dreams are real

Now you concerned about the way I feelTonight I'm a rock 'n roll star Tonight I'm a rock 'n roll starI live my life in the city

There's no easy way out

The day's moving just too fast for me

I need some time in the sunshine

Gotta slow it right down

The day's moving just too fast for meI live my life for the stars that shine People say, "It's just a waste of time"

When they said, "I should feed my head"

That to me was just a day in bedI'll take my car and drive real far

They're not concerned about the way we are

In my mind my dreams are real

Now you concerned about the way I feelTonight, I'm a rock 'n roll star Tonight, I'm a rock 'n roll star

Tonight, I'm a rock 'n roll starYou're not down with who I am

Look at you now

You're all in my hands tonight Tonight I'm a rock 'n roll star

Tonight I'm a rock 'n roll star

Tonight I'm a rock 'n roll starIt's just rock 'n roll

It's just rock 'n roll It's just rock 'n roll
