

Christ is All

Life Center Worship

Verse 1

All earthly things will fade, our home will be no more
I will forever wait on Christ, the risen Lord
When sorrows fill our hearts, we walk into the storm
Be still my heart and wait on Christ the risen Lord

Chorus

Christ is All
Christ is All
All others soon will fall
Still Christ is All

Verse 2

In Him, our life is found, in Him, our sins no more
He took our guilt and shame, He is forever Lord
We have been raised with Christ, our hearts are set above
We will forever wait on Christ the risen Lord

Bridge

All the world will fade
All the world will fade
One thing will remain
Love that took my place

All the world will fade
Still our hope remains
In Amazing Grace
Love that took my place

All the world will fade
All the world will fade
Jesus took my place
Jesus took my place // repeat
