

Steppin' Out

Fantastic Plastic Machine

Now
The mist across the window hides the lines
But nothing hides the colour of the lights that shine
Electricity so fine

Look and dry your eyes
We
So tired of all the darkness in our lives
With no more angry words to say

Can come alive
Get into a car and drive
To the other side
Me babe, steppin' out

Into the night
Into the light
You babe, steppin' out
Into the night

Into the light
We
Are young but getting old before our time
We'll leave the T.V. and the radio behind

Don't you wonder what we'll find
Steppin' out tonight
You
Can dress in pink and blue just like a child

And in a yellow taxi turn to me and smile
We'll be there in just a while
If you follow me
Me babe, steppin' out

Into the night
Into the light
You babe, steppin' out
Into the night

Into the light
