

# Your Wings

Lauren Daigle

When ten thousand arrows take flight  
Remind me that You are my armor  
There's always a place I can hide  
When I am desperate for shelter You're my covering  
    I'm safe, I'm safe  
    Whatever comes at me  
I'm safe, I'm safe You got me under Your wings  
    Under Your wings  
I'm under, I'm under Your wings  
    You got me  
    You cover me, You cover me  
I'm under, I'm under Your wings  
    With every step that I take  
    You are before and behind me  
    In every fear that I face, oh  
I'm constantly finding You're my covering  
    I'm safe, I'm safe  
    Whatever comes at me  
I'm safe, I'm safe You got me under Your wings  
    Under Your wings  
I'm under, I'm under Your wings  
    You got me  
    You cover me, You cover me  
I'm under, I'm under Your wings  
    You got me under Your wings  
    Under Your wings  
I'm under, I'm under Your wings  
    You got me  
    You cover me, You cover me  
I'm under, I'm under Your wings You're my covering  
    I'm safe, I'm safe  
    Whatever comes at me  
    I'm safe, I'm safe  
    (I'm under, I'm under Your wings)
