Shinjite-iru no Mirakuru romansu(in English)
"Sorry if I'm not gentle"
I can say that in my dreams.
My thoughts are about to short circuit.
I want to see you, now isn't soon enough.
Just about ready to cry, moonlight,
Can't call, midnight.
Because I'm so naive, what can I do?
My heart is a kaleidoscope!
Led by the moonlight,
Often we meet by chance.
The twinkling count of stars foretells love's whereabouts.
Born on the same planet
Miracle romance
One thing I still believe in, miracle romance
