

# Stay Up

## Pillar

Pack a bag, go let the world know how you feel about it  
Hit the party, let the people scream and shout about it  
No doubt about it, no reason for you to pout about it  
If you don't get it then you probably live your life without it  
So get it out and take a second just to think it through  
It's not a secret, you're on schedule for a rendezvous  
But who knew the who's who of voodoo  
Would be you the day you get your verdict asking for a redo  
Get up, get up, we never get down  
Now, we be seekin' freaks out from the underground  
Stay up, stay up, we never let down  
We keep it rockin' 'til you all come around now  
Get up, get up, we never get down  
Now, we be seekin' freaks out from the underground  
Stay up, stay up, we never let down  
We keep it rockin' 'til you all come around, come on  
Ready or not, here we come, come to seek you out  
'Cause you can only hide for so long in the underground  
Until you're found and you scream aloud in the crowd  
That you're down and you're never turning back around  
So shut down the ways we'll call the days of old  
And get down with the freaks that are livin' bold  
Stay up, we livin' life fortississimo  
K.J. we get the freaks, gotta let 'em know  
Now, excuse me  
Now, what I speak is for my freaks and when I come forth  
And I get down like I'm jumpin' off the eighth floor  
What's the deal for realy, what you ashamed for  
You're the reason that He came for and His blood poured  
So behold He stands at the door and just knocks  
But you be standin' at the door with the door locked  
So it's a sure shot that in the whole spot and whole  
Lotta y'all need to take heed His words that we drop  
Get up, get up, we never get down  
Now, we be seekin' freaks out from the underground  
Stay up, stay up, we never let down  
We keep it rockin' 'til you all come around now  
Get up, get up, we never get down  
Now, we be seekin' freaks out from the underground  
Stay up, stay up, we never let down  
We keep it rockin' 'til you all come around, come on  
Get up, get up, we never get down  
Now, we be seekin' freaks out from the underground  
Stay up, stay up, we never let down  
We keep it rockin' 'til you all come around now  
Get up, get up, we never get down  
Now, we be seekin' freaks out from the underground  
Stay up, stay up, we never let down  
We keep it rockin' 'til you all come around, come on  
Get up, get up, we never get down

Now, we be seekin' freaks out from the underground  
Stay up, stay up, we never let down  
We keep it rockin' 'til you all come around  
Get up, get up, we never get down  
Now, we be seekin' freaks out from the underground  
Stay up, stay up, we never let down  
We keep it rockin' 'til you all come around
