

This Masquerade

Kenny Rogers

Are we really happy here
With this lonely game we play
Looking for words to say?
Searching
But not finding understanding anyway
We're lost in a mas--masqueradeBoth afraid to say
We're just too far away
From being close together from the start
We tried to talk it over
But the words got in the way
We're lost inside this lonely game we play
Thoughts of leaving disappear
Ev'ry time I see your eyes
No matter how hard I try
To understand the reasons
That we carry on this way
We're lost in this masqueradeBoth afraid to say
We're just too far away
From being close together from the start
We tried to talk it over
But the words got in the way
We're lost inside this lonely game we play
Thoughts of leaving disappear
Ev'ry time I see your eyes
No matter how hard I try
To understand the reasons
That we carry on this way
We're lost in this masquerade
