

# Cadillac Pussy (feat. Hank Williams Jr.)

[Kid Rock](#)

feat. Hank Williams, Jr.

I seen a fly slimmy on the avenue  
When i was on tour in baton rouge  
A mean little missy with a attitude I played it smooth  
No need to be rude  
I stopped the ship  
Stepped off like chewie..Ran some game like louie louie  
Talked her on the bus  
Talked her out of her shorts  
No lie why'all, I'm here 2 report She had some cadillac pussy  
Some cadillac pussy  
She had some cadillac pussy  
She had some cadillac pussy  
Man it would drive you wild
