Holding On

Beverley Craven

I'm losing control of my emotions
You've got this hold on my heart
I've never known what we are feeling
You never took me so farI can't find the words
Is this love?
Tell me I've found you
Is this love?
Say that you'll always keepHolding on
Keep holding on
'Cos your love's got a hold on me
Keep holding on
Keep holding on, yeah, yeahI'm losing my mind dreaming about you
Still as you sleep by my side
Kiss me awake, whisper "Good Morning"
Say what you said one more time'Cos I need to know
Is this love?
Tell me I've found you
Is this love?
Say that you'll always keepHolding on
Keep holding on
'Cos your love's got a hold on me
Keep holding on
Keep holding on, yeah, ohIs this love?
And tell me I've found you
Is this love?
Say you'll always keepHolding on
Keep holding on
'Cos your love's got a hold on me
Keep holding on
Keep holding on, oohHolding on
Keep holding on
Your love's got a hold on me
Keep holding on
Keep holding on
(Oh yeah, your love)Holding on
Holding on
Holding on
Keep holding on, oohKeep holding on
Keep holding on, ooh

Keep holding on
Keep holding on
