

# Holding On

Beverley Craven

I'm losing control of my emotions  
You've got this hold on my heart  
I've never known what we are feeling  
You never took me so farI can't find the words  
Is this love?  
Tell me I've found you  
Is this love?  
Say that you'll always keepHolding on  
Keep holding on  
'Cos your love's got a hold on me  
Keep holding on  
Keep holding on, yeah, yeahI'm losing my mind dreaming about you  
Still as you sleep by my side  
Kiss me awake, whisper "Good Morning"  
Say what you said one more time'Cos I need to know  
Is this love?  
Tell me I've found you  
Is this love?  
Say that you'll always keepHolding on  
Keep holding on  
'Cos your love's got a hold on me  
Keep holding on  
Keep holding on, yeah, ohIs this love?  
And tell me I've found you  
Is this love?  
Say you'll always keepHolding on  
Keep holding on  
'Cos your love's got a hold on me  
Keep holding on  
Keep holding on, oohHolding on  
Keep holding on  
Your love's got a hold on me  
Keep holding on  
Keep holding on  
(Oh yeah, your love)Holding on  
Holding on  
Holding on  
Keep holding on, oohKeep holding on  
Keep holding on, ooh

Keep holding on  
Keep holding on
