Our Silence

Refused

Shut your mouth, this is the age of freedom
Gagged masses, who are the ones that lead us?
Disregarded system and it's set up by who?
Uses so many, but it benefits so fewWith our silence, we vote for continuation
With our silence, we bow down to oppression
We try to deny that we still have a choice
But I will bite the hand that tries to feed usPromises of salvation, golden dreams to assure apathy
With our silence, we vote for continuation
With our silence, we bow down to oppressionBut will we remain content?
Will we remain silent and happy?
We will remain silent, they will remain happy
