

I've Got A Right To Cry

Hank Williams Jr.

I've got a right to cry
I've got a right to cry
All day I sing the blues
I'm in my lonely shoes Could you be so unkind?
I nearly lost my mind
I wonder if you care
My life is a sad affair My heart is aching and it's breaking
And I don't know what to do
Sweetheart, it's all because of you You know you've done me wrong
Come on back home where you belong
And in this reason why
I've got a right to cry Yeah my heart is aching, Lord, it's breaking
And I don't know what to do
Sweetheart, don't you know it's all because of you? You know you've done me wrong
Please come back home where you belong
And in my reason why
I've got a right to cry
I've got a right to cry
