

Winning the War

'Til Tuesday

You fight just for the sake of it
You know what hurts the most
You might have once been making it
But now it cuts too close
Winning the war
And losing every battle
You close the door
(You close the door)
On happy ever after
We should have stopped it long ago
When there was love still
But we would give in to ego
And never stop until
Winning the war
And losing every battle
You close the door
(You close the door)
On happy ever after
Winning the war
And losing every battle
You close the door
(You close the door)
On happy ever after
I know, you know
Winning the war
Is not winning at all
I know, you know
Winning the war
Is not winning at all
I know, you know
Winning the war
Is not winning at all
I know, you know
Winning the war
Is not winning at all
I know, you know
Winning the war
Is not winning at all
I know, you know
Winning the war
Is not winning at all
I know, you know
Winning the war
(Winning the war)
Winning the war
(And losing every battle)
Is not winning at all
I know, you know

(You close the door)
Winning the war
(On happy ever after)
Is not winning at all
(On happy ever after)I know, you know
(You know)
Winning the war
(We're losing every battle)
Is not winning at allI know, you know
Winning the war
