Breathless

Lifer

5, 4, 3, 2, 1, 0
Offended by my obscenity
Mouthful of soap cleansing me
Asking for a little empathy
Mouth is stained, please let me
Breathe
Don't breathe
Don't breathe
I can't breathe
Breathe
Don't breathe
Don't breathe
I can't breathe
I am suffocating
I am suffocating
I am suffocating
I am so frustrated

Drowning in my insecurity
I am on my hands and knees
Begging for a little sympathy
Begging you to help me
Breathe
Don't breathe
Don't breathe
I can't breathe
Breathe
Don't breathe
Don't breathe
I can't breathe
I am suffocating
I am suffocating
I am suffocating
I am so frustrated
