

# The Mason

## Burden of a Day

If I could know the way this ends  
I'd then understand I'll live What it is to be made from the best of you  
Let my hands make movement for hearts of the tested few If I could know the way (?)  
The way this ends  
I'd then understand  
(wa-oh wa-ah-oh)  
If I could know the way  
(wa-oh wa-ah-oh)  
I'd see the glory in these hands I'm placing stone upon stone  
But this castle is falling faster than my hands  
They gained the west wall  
Fall back to the stables  
Prepare for the last stand I end here you start now  
Like iron sharpens iron  
I will make you better  
You will make me my best  
Like sea salt to my skin (to my skin)  
Without you I am but a tasteless man If I could know the way (?)  
The way this ends  
I'd then understand  
(wa-oh wa-ah-oh)  
If I could know the way  
(wa-oh wa-ah-oh)  
I'd see the glory in these hands This is end this is end  
This armor weighs but I will fight till I face the sky If I could know the way  
(wa-oh wa-ah-oh) If I could know the way (?)  
The way this ends  
I'd then understand  
(wa-oh wa-ah-oh)  
If I could know the way  
(wa-oh wa-ah-oh)  
I'd see the glory in this
