

I Could Write a Book

Frank Sinatra

If they ask me, I could write a book
About the way you walk and whisper and look
I could write a preface on how we met
So the world would never forget And the simple secret of the plot
Is just to tell them that I love you a lot
Then the world discovers as my book ends
How to make two lovers of friends And the simple secret of the plot
Is just to tell them that I love you a lot
Then the world discovers as my book ends
How to make two lovers of friends
