

I Will Always Return

[Bryan Adams](#)

I hear the wind call my name
The sound that leads me home again
The sparks of the fire
A flame that still burns
To you, I will always return I know the road is long
But where you are is home
Where ever you stay
I find the way
I run like the river
I follow the sun
I fly like an eagle to where I belong
Can't stand the distance,
I can't dream alone
I can't wait to see you
Yes I'm on my way home
Now I know it's true
My every road leads to you
And in the hour of darkness
You light gets me through
You run like the river
You shine like the sun
Yeah
You fly like an eagle
Yes you are the one
I see every sun set
And with all that I've learned
Oohh
It's to you, I will always
Always return
