

# Mr. Brown

## Puressence

I'm pleased to meet you Mr. Brown,  
It's good to see you out with your Lady wife,  
I'm living on this side of town,  
I'm gonna have to take you out with my trusty knife, Can you see?  
When you listen and you notice,  
That there's rubies in the glass,  
All you answer, all you answer,  
And you talk about it, Say: Hey, why do you always lie?  
You said I was closer than I thought,  
Now you tell me the sun don't shine,  
You said I was closer than I.. You understand it's not a game,  
The money's in your coat and I think it's mine (I think it's mine),  
You know, to me you look the same,  
I do this every day and it works out fine, Can you feel?  
All you needed, all I wanted,  
Were those rubies in the glass,  
All you answer, all you answer,  
And you talk about it, Say: Hey, why do you always lie?  
You said I was closer than I thought,  
Now you tell me the sun don't shine,  
You said I was closer than I thought, All I ever want to,  
How would you know?  
How would you know? Can you feel?  
Can you notice? Can you feel it?  
It's those rubies in the glass,  
Oh you answer, oh you answer,  
And there's rubies in. (don't go changing me in a real way  
oh hold on, oh hold on, oh hold on  
yeah, yeah, changing me in a real way  
oh hold on, oh hold on, oh hold on, hold on  
yeah, yeah, yeay)
