Popsicle

New Kids on the Block

You're my popsicle
From the very first time
I met you
I knew you captured me
You're my popsicle
All I know is that
You make me feel
So fancy freeGonna love you for a life time
And you know you're gonna love me too
You make me feel
Feel so real
And it feels so good
Through and through
Sweeter than candy
Better than cake
And every time we kiss
It feels oh so great
Girl can you see
You're the one
You're the one for meYou're my popsicle
From the very first time
I met you
I knew you captured me
You're my popsicle
All I know is that
You make me feel
So fancy freeWhen I call you up
On my favorite party line
You sound sweet girl
You're blowing my mind
Our love is much better
Than any other I know
And it keeps on growing
