

I Swear (Acoustic)

Wyclef Jean

I swear
Girl I swear And I swear
Ain't nobody breakin' us up
I'ma stay with you forever, girl
And I swear
Know that you were here from the start
You ain't goin' nowhere
I don't care
What they wanna say about us
We gon' always be together, girl
And I swear
I swear
Girl, you got the key to the lock
You the reason that the playboy stop
You're the reason that I'm not on the corner
Selling di marijuana
You give me a reason to live
You the reason that I never did a bid
And even if they wanna judge
You the reason that I love
And I swear (I swear)
Ain't nobody breakin' us up
I'ma stay with you forever, girl
And I swear
Know that you were here from the start
You ain't goin' nowhere
I don't care (don't care)
What they wanna say about us
We gon' always be together, girl
And I swear
And I swear....
I swear
Hey, honeymoon, sprinklin' flowers over you
Stand on the couch, baby, I'm wildin' over you
Take everything, bae, I'm a coward over you
Jewelry so wet, you need a towel over you
Take you out your mama house, baby smile
East coast, West coast, goin' shoppin'
Change the way that you dress, Thousand Island

Let you take over, I no longer need an accountant

Lord, you really really be wild

Private 'round the world, they can't over see us

She got water like a boat, nickname it Aaliyah

They can't see us, they can't be us, babygirl

I swearAnd I swear

Ain't nobody breakin' us up

I'ma stay with you forever, girl

And I swear

Know that you were here from the start

You ain't goin' nowhere

I don't care

What they wanna say about us

We gon' always be together, girl

And I swear

Gettin' top, no way ride, ride

Forth fifth homicide, ahh

Skrrt, skrrt, skrrt

Ride silver, ride it, ride it, try to feel the ride ay
