

# I Swear (Acoustic)

Wyclef Jean

I swear  
Girl I swear And I swear  
Ain't nobody breakin' us up  
I'ma stay with you forever, girl  
And I swear  
Know that you were here from the start  
You ain't goin' nowhere  
I don't care  
What they wanna say about us  
We gon' always be together, girl  
And I swear  
I swear  
Girl, you got the key to the lock  
You the reason that the playboy stop  
You're the reason that I'm not on the corner  
Selling di marijuana  
You give me a reason to live  
You the reason that I never did a bid  
And even if they wanna judge  
You the reason that I love  
And I swear (I swear)  
Ain't nobody breakin' us up  
I'ma stay with you forever, girl  
And I swear  
Know that you were here from the start  
You ain't goin' nowhere  
I don't care (don't care)  
What they wanna say about us  
We gon' always be together, girl  
And I swear  
And I swear....  
I swear  
Hey, honeymoon, sprinklin' flowers over you  
Stand on the couch, baby, I'm wildin' over you  
Take everything, bae, I'm a coward over you  
Jewelry so wet, you need a towel over you  
Take you out your mama house, baby smile  
East coast, West coast, goin' shoppin'  
Change the way that you dress, Thousand Island

Let you take over, I no longer need an accountant

Lord, you really really be wild

Private 'round the world, they can't over see us

She got water like a boat, nickname it Aaliyah

They can't see us, they can't be us, babygirl

I swear And I swear

Ain't nobody breakin' us up

I'ma stay with you forever, girl

And I swear

Know that you were here from the start

You ain't goin' nowhere

I don't care

What they wanna say about us

We gon' always be together, girl

And I swear

I swear

Gettin' top, no way ride, ride

Forth fifth homicide, ahh

Skrrt, skrrt, skrrt

Ride silver, ride it, ride it, try to feel the ride ay
