

Something That You Said

The Bangles

Everything in a moment starting where
Something you said is hanging in the air
Now I know my life is sweetening
Changing everythingSomething that you said
Turned me from the inside out
Running through my head
Something I have dreamed aboutAnd I feel so real
And it feels so right
Something that you saidShowing you every weakness
And feeling strong for it
I used to run from real love
Now I long for itNow I know what I've been missing
Since I've been listeningSomething that you said
Turned me from the inside out
Lying in my bed
Whispering your name out loudAnd I feel so real
And it feels so right
Something that you said
Got through to me tonightNever so far you can't call me back
I'm never more than a single kiss awayAnd I feel so real
And it feels so rightSomething that you said
Turned me from the inside out
Running through my head
Something I had dreamed aboutAnd I feel
And I feel
And it feels so rightSomething that you said
Turned me from the inside out
Lying in my bed
Whispering your name out loudAnd I feel
