We Must Be In Love

The Impressions

I sigh and don't know why
I sigh is it that I'm lonely for you,
Are you lonely for me too
We must be in loveI miss your tender kiss
Your tender kiss is what I miss
I have a strange desire
For your lips of fire,
We must be in loveOh tell me now
Do you love me too
I do, do you love me tenderly,
I do hope that you'll agree
We must be in love,
We must be in love
I miss your tender kiss
Your tender kiss is what I miss
I have a strange desire
For your lips of fire,
We must be in loveOh tell me now
Do you love me too
I do, do you love me tenderly,
And I hope that you'll agree,
We must be in loveMay-be you will see
Finally you and me
Shall always be as one
See what happiness has done
We must be in love,
We must be in love
I sigh I don't know why
I sigh is it that I'm lonely for you,
Are you lonely for me too
We must be in loveLet me tell ya now
I miss your tender kiss
Your tender kiss is what I miss
I have a strange desire
For your lips of fire,
We must be in loveDo you love me too
I do, do you love me tenderly,
I do hope that you'll agree,
We must be in love
