

Fade Into You

Flickerstick

I want to hold the hand inside you
I want to take a breath that's true
I look to you and I see nothing
I look to you to see the truth
 You live your life
 You go in shadows
You'll come apart and you'll go black
Some kind of night into your darkness
Colors your eyes with what's not there.

Fade into you

Strange you never knew

Fade into you

I think it's strange you never knewA stranger's light comes on slowly

 A stranger's heart without a home

 You put your hands into your head

And then smiles cover your heartFade into you

 Strange you never knew

 Fade into you

I think it's strange you never knewFade into you

 Strange you never knew

 Fade into you

I think it's strange you never knew

I think it's strange you never knew
